

CYPRIAN CHMIELEWSKI

WEB DEVELOPER

As a web developer I have been growing for about 8 years. I started with simple websites based on Joomla, and later I developed my knowledge of web technologies in a technical college. Currently I create and administrate websites part-time, and also work on my own JavaScript project - The Page That Never Looks The Same. I work full time as a Service Delivery Supporter at Atos.

EXPERIENCE

SERVICE DELIVERY SUPPORTER

11/2018 - Present

ATOS – BYDGOSZCZ, POLAND

Duties:

Providing end-to-end support for the Knowesia service. Knowesia is a self-help delivery tool utilized for helpdesk automation.

- Providing maintenance for the application and its environment,
- Managing knowledge articles and workflows in the Knowesia Studio (back-end),
- Customizing the web portal to suit customer branding (front-end),
- Serving as a first and second line support for issues and requests.

Major accomplishments:

- Created a workaround for an error in the application, which allowed to stop generating daily reports manually.
- Voluntarily created a new layout of the web service (CSS + Bootstrap) for another team, that saved them about two weeks of work time.

Courses:

- Data Engineering on Google Cloud Platform,
- Flexera FNMS Operations,
- Nextthink Training.

WEB DEVELOPER

08/2018 - Present

FREELANCE

Creating webpages and administering them part-time.

- Administering two webpages for "Mijamy Sie" organization,
- JavaScript based project - The Page That Never Looks The Same.

IT SPECIALIST

01/2018 - 10/2018

VOIP24SKLEP.PL – BYDGOSZCZ, POLAND

Duties:

Websites configuration, web store support, administration of company's network, administration of staff's computers, documentation creation, workflow diagram design, network structure design and implementation, VoIP systems implementation.

Major accomplishments:

- Created several forms in Google Docs that saved hours of work time on services deployments.
- Planned and implemented a wireless VoIP system that covered a large outdoor area.

Courses:

- Grandstream IP-PBX UCM Administration Course.

- Designing of local computer networks and network administration,
- Assembly and operation of personal computers and external devices.

REFERENCJE

DANUTA WILCZARSKA

FOUNDER OF "MIJAMY SIĘ" ORGANISATION

Cyprian Chmielewski is a person worth recommending. He is recognizable by great commitment and ingenuity in the implementation of tasks. He is very competent and substantive. He can find a solution in problematic situations and is not afraid of new challenges. When executing orders, he gives the client a sense of security that the task will be well done and always on time. He sometimes sees things that I haven't noticed, suggests interesting changes or corrections. He has never refused to help. I like working with Cyprian very much.

KRYSPIN MAROSZCZYK

CEO AT VOIP24SKLEP.PL

A representative of the young generation with "old" principles, competent, professional and reliable. A great person, committed and hungry for development.

FOTINA GALIEB

TOOLING ENGINEER AT ATOS

It was great to work with Cyprian who has lots of knowledge in his field, he was very helpful at quickly identifying the problem with our website and repairing it. Cyprian has an excellent ability to effectively listen and to proceed with each task at hand. He is very supportive and encouraging. It was a pleasure to work with him in one team.
